

Phase 3: Data Modelling & Relationship

Custom Objects:

Flight Schedule (Flight Number, Date, Departure, Arrival).

The screenshot shows the 'New Flight Schedule' form in a Salesforce browser interface. The form is titled 'New Flight Schedule' and includes a search bar at the top. Below the search bar, there is a section for 'Information' with the following fields:

- Flight Schedule ID**: A text input field.
- *Select Flight**: A dropdown menu with a search bar labeled 'Search Flights...'.
- Source Name**: A dropdown menu with '--None--' selected.
- Destination Name**: A dropdown menu with '--None--' selected.
- Departure Date time**: A date and time picker.
- Arrival Date time**: A date and time picker.

At the bottom of the form, there are three buttons: 'Cancel', 'Save & New', and 'Save'. The background shows a list of flight schedules with columns for 'Flight Schedule ID' and 'Flight Name'.

Flights (Flight Name, Company)

The screenshot shows the 'New Flight' form in a Salesforce browser interface. The form is titled 'New Flight' and includes a search bar at the top. Below the search bar, there is a section for 'Information' with the following fields:

- Flight ID**: A text input field.
- Owner**: A dropdown menu with 'Unnati Sakhare' selected.
- Flight Name**: A text input field.
- Company**: A dropdown menu with '--None--' selected.
- International / Domestic**: A checkbox labeled 'International / Domestic' with a question mark icon, which is currently checked.

At the bottom of the form, there are three buttons: 'Cancel', 'Save & New', and 'Save'. The background shows a list of flights with columns for 'Flight ID' and 'Flight Name'.

Pilot (name, contactNumber, Age, email Id)

The screenshot shows a web browser window with a Salesforce interface. A 'New Pilot' modal form is open in the foreground, and a 'Recently Viewed' list is visible in the background.

New Pilot Form:

- Title:** New Pilot
- Legend:** * = Required Information
- Information Section:**
